

Farmington / Northwood Fins

Swim Team

The Farmington/ Northwood Fins swim team is a summer league swim team. This is an open team, that allows anyone who wants to compete in summer league swimming to do so. Farmington/Northwood Fins has been a very successful swim team over the years with a recent undefeated 2010 season. And also 2010 Divisional Champions! We have about 100 swimmers each season. Most people don't know just how much goes on behind the scenes of a swim organization. It takes lots of parents volunteering there time to make sure the children have a swim season full of great memories. The season runs for approximately 6 weeks. These 6 weeks are packed with 5 days a week practices and swim meets every Tuesday night. Farmington/Northwood swim team sets the registration fees as affordable as possible to give everyone to opportunity to swim. But as the years of the organization continue to cost of upkeep of equipment ,(which each team is required to supply for meets) the cost of ribbons, in which ribbons are given to each child for placement in the race and even participation, so each child gets an award for every event they participate in. The computer work and printing of the event "Heat Sheets" can also be very costly. All in all it takes not only money but volunteers to help our wonderful organization run effectively. We are looking for sponsors this season to help Farmington out. All donations/Sponsorships are a tax write off ! A Farmington/Northwood sponsorship includes advertisement on our travel banner, our T-shirts that over 200 people wear including the kids and their parents, and a team picture for you to display in your company. Depending on which level of sponsorship you choose determines the amount of exposure you get. We have set the levels of sponsorship at a very affordable price to allow each sponsor to benefit all of the advertising venues we offer. Farmington/Northwood Fins thanks you in advance for your consideration and time for sponsorship! Thank you for being a part of our children's memories and a great summer swim league.

Sincerely,
Farmington/Northwood "The Fins" Swim Team
