Parents/Spectators Code of Conduct: (From CSRA SWIM LEAGUE)

1. Parents/spectators should remember that the goal of summer swim league is: to support childhood growth and development through swimming- the fundamental techniques will be emphasized, with the focus on sportsmanship, teamwork and having fun.
2. Parents/spectators should keep the perspective what swim league is all about – through sports, a child can experience attitudes which can help shape a happy, productive and well-adjusted life. By creating a healthy environment, all children can be winners, regardless of the won-lost record.
3. Our children learn from what they observe – let your behavior “set the example” for our swimmers.
4. Parents/spectators should remember they are present to support the children, not to draw attention to themselves.
5. Parents/spectators should remember that coaches and officials are trying to help our children and are qualified in swimming. Unless you are invited to take an active part in coaching, do not complain/offer advice from the deck/gallery.
6. Parents/spectators who attend swim meets should promote well-being and cheer for a job well done, regardless of which team the child is swimming for.

_____ **Your initials notes you are in agreement with the above code of conduct and will follow all requirements set forth in this document.**

You are required to work at least half of a meet, for every meet you have a child participating. If you are unable to work, you are to delegate someone to work in your place. This is your responsibility, not the boards, not the coaches and not the meet coordinators. If you have extenuating circumstances, you need to speak with a board member ASAP. Most jobs are only for half the meet. (Jobs are timer, runner, score-room, concessions, set-up, clean-up, shepherd & head timer)

We are looking forward to a rewarding and fun season. Please encourage your child to attend the practices, so your child will be able to perform at his/her best at the meets. **Your signature denotes that you understand what is expected of you as a parent of a FINS swim team member.** There will not be any refunds after Monday, May 23rd , any payments (checks) received prior to this date will be held until this date. All payment and registration forms must be completed by **May 23rd** .
